### **DETAILED ACTION**

This Office action is in answer to the amendment filed 2/7/2006.

#### ***Allowable Subject Matter***

1. Claims 1-27 are allowed.

With regard to claims 1-27: none of the references of record prior to applicant's filing date discloses, teaches, or suggests a non-invasive method of monitoring operational readiness of electric power storage batteries in an uninterruptible power supply (UPS) system, the UPS system having at least one battery channel, each having at least two battery packs coupled in series to supply output power to a connected load and a battery charger to maintain and restore charge to the batteries during normal utility line operation comprising, *inter alia*, the step of indicating a lack of operational readiness of both battery packs when the voltage at the midpoint is less than the first nominal value by a first predetermined amount.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Examiner Pia Tibbits whose telephone number is 571-272-2086.
